

Heritage BUMPER PULL

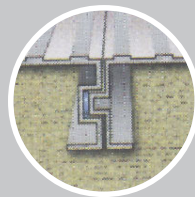

With a number of available sizes and configurations, you're sure to love one of these all-aluminum Legend Heritage bumper pull slant loads offering the legendary strength and durability of a Jamco. Built with Jamco's patented double-thick interlocking plank walls on the lower half and Legend light-wall interlocking planks on the upper half, the Legend Heritage offers you and your horses unequalled protection and durability. The semi-custom Legend Heritage slant loads allow for specific selection and placement of many available options and carry a five year frame warranty and ten year pro-rated warranty on plank walls.

MODEL	HORSES	LOAD TYPE	HITCH	DRESS/LQ	DRESS/LQ LENGTH	WIDTH	HEIGHT	BED LENGTH	OVERALL LENGTH
Heritage I	2	Slant	Bumper	Dress Standard	4'	7'	7'	11'	14'
Heritage I	3	Slant	Bumper	Dress Standard	4'	7'	7'	15'	18'
Heritage I	4	Slant	Bumper	Dress Standard	4'	7'	7'	18'	21'

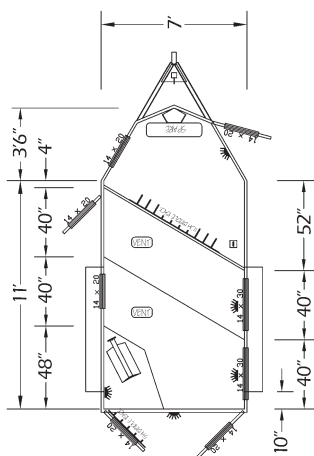

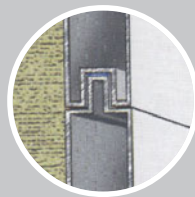

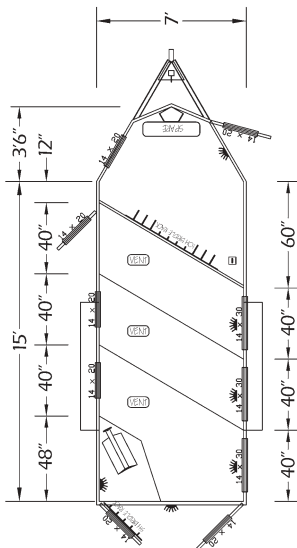

Available on many Jamcos is our unique QuickChange™ post system, which allows for day-to-day changes in the divider configuration, and movement of rear-tack saddle racks. A simple spring-sleeve design is grasped and pulled down, which allows the post to be moved to another pre-drilled location.

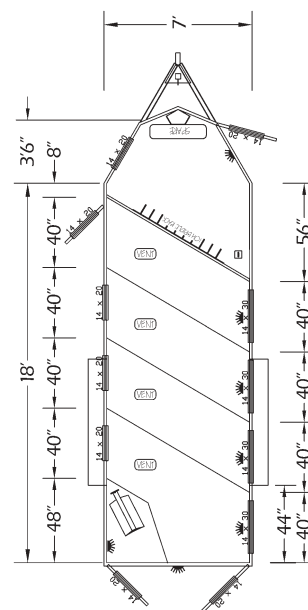

Superior engineering versus rivets and bolts: our walls and floors are constructed with interlocking aluminum planks that are united with continuous welds for virtually one-piece strength.*
