

Livestock

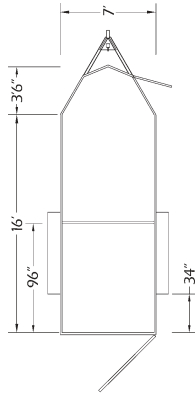

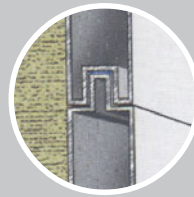

When you want to transport your valuable shipment in a strong, dependable, and efficient trailer, look no further than a Jamco single or double vented livestock trailer. Designed with the foresight and attention that our company has been recognized with for over 30 years, you will rest easy upon arriving at your destination knowing that your precious cargo will emerge safe and sound. Built with our unique tongue-and-groove double-thick aluminum interlocking plank walls and seamless, single-piece aluminum roof, Jamco trailers offer you and your livestock unequalled protection and durability. All Jamco Classic livestock trailers carry a seven year frame warranty and twenty year pro-rated warranty on plank walls.

MODEL	HITCH	WIDTH	HEIGHT	BED LENGTH	OVERALL LENGTH
Livestock	Bumper	6' or 7'	6' 6"	12' or 16'	15' or 19'
Livestock	Gooseneck	7' or 8'	6' 6"	16' - 30'	24' - 38'

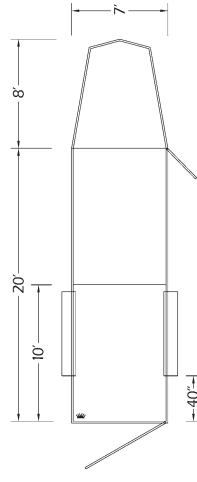

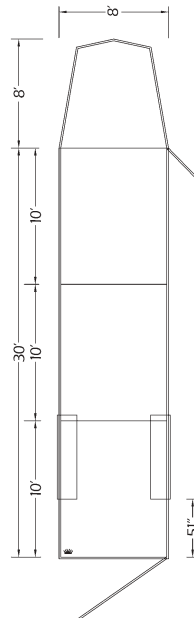

Superior engineering versus rivets and bolts: our walls and floors are constructed with interlocking aluminum planks that are unitized with continuous welds for virtually one-piece strength.*
